Ref: - File No. DGT-Aff011/1/2023-O/o DIR (TC) – Part (2) [63756] dated 03.05.2024 (copy enclosed).

Subject: Extension of closing date of admission for Craftsmen Training Scheme (CTS) courses in Industrial Training Institutes (ITIs), Session - 2024 - regarding.

Sir/Madam,

The Directorate General of Training (DGT) in the Ministry of Skill Development and Entrepreneurship coordinates national vocational training programs in Industrial Training Institutes (ITIs). The DGT sets standards and conducts trade testing, while the day-to-day administration of ITIs is managed by State Governments and Union Territory Administrations.

2. Accordingly, the DGT releases a Training Calendar for each session to all the State/UT directorates for carrying out CTS admission process in all government and private ITIs as per the given schedule. As per the timelines mentioned in admission Calendar 2024 session, the cut-off date for admission in all government and private ITIs across the country would be 31st August 2024.
3. The Directorate General has received numerous requests from State/UT directorates, ITI associations, and ITIs to extend the closing date for admissions for the session due to low admission percentages caused by natural calamities such as floods and landslides affecting many states.
4. After careful consideration, the Directorate General has decided to grant a one-time extension to the closing date for CTS admissions in all government and private ITIs nationwide. The new extended closing date is as follows:

Activity	Revised dates
Closing date of admission in all government and private ITIs across the country. <i>(With the condition that, State/ITI should ensure extra classes during holidays/Sundays to cover up syllabus for the trainees admitted during this extension period)</i>	30.09.2024 (Modified date) [All types of admissions including walk-in admissions also to be completed on or before this date]

Start date of the academic session (starting date of training).	02.09.2024 (No change in date)
End date of the academic session (closing date of training).	21.06.2025 (No change in date)
API link for data migration Trainee Verification schedule	Will be provided separately in due course of time.

5. This is final extension and no further chance of extension in admission cut-off date is possible and no such requests are considered beyond this date.

This issues with the approval of competent authority.
